

BUILD YOUR WORKFORCE OF TOMORROW TODAY

The Arizona Career and Technical Education Curriculum Consortium Registered Apprenticeship Program is shaping the future of Arizona's workforce by connecting high school students with real-world career pathways through registered apprenticeships in the carpentry and electrical trades.

CUT RECRUITING COSTS

Gain direct access to young professionals already equipped with technical know-how no recruiting fees required.

Grow a workforce that's in it for the long haul, apprentices are more invested from the start.

Simplify your hiring process with candidates already vetted and matched to your business needs.

WHY PARTNER WITH US?

The AZ Career and Technical Education Curriculum Consortium Registered Apprenticeship Program is officially recognized by the Arizona Department of Economic Security, Office of Apprenticeship. We provide a streamlined, supported process to help your business develop skilled, work-ready talent, while giving students life-changing opportunities.

Let's Build Together

Whether you're a small business or a large contractor, partnering with the The AZ Career and Technical Education Curriculum Consortium Registered Apprenticeship Program is a smart investment in your team, your trade, and your future.

What You Gain as an Employer

- ✓ **Access Motivated Young Talent**
Connect with high school students and graduates already trained in foundational skills through Career and Technical Education (CTE).
- ✓ **Shape Your Future Workforce**
You influence the hands-on training apprentices receive, ensuring they meet your specific standards and expectations.
- ✓ **Strengthen Retention & Loyalty**
Apprenticeship builds commitment, employees trained in-house are more likely to stay and grow with your company.
- ✓ **Close the Skills Gap**
Help address shortages in high-demand trades by developing a pipeline of qualified, credentialed workers.
- ✓ **Community & Industry Impact**
Invest in your local workforce and support the success of Arizona's education-to-career ecosystem.

What's Expected of Employers?

- ✓ **Provide Paid Work Experience**
Offer apprentices entry-level employment where they can earn while they learn.
- ✓ **Offer On-the-Job Training**
Deliver hands-on instruction aligned with your real-time industry standards and best practices.
- ✓ **Assign a Mentor**
Support apprentice development through one-on-one guidance and coaching.
- ✓ **Customize the Program**
Flexibility in scheduling, program length, and structure—designed around your business operations.
- ✓ **Work with a Dedicated Coordinator**
We handle the logistics. You get personalized support every step of the way—from onboarding to success tracking.
